3 Registration and Login

Registration

Step 1   Visit www.en.vnnox.com and click **Sign Up** at the top right of the page.

Step 2   Select a server node and click **OK**.

Step 3   Fill in your account information and click **Next**.

Figure 1 Account information

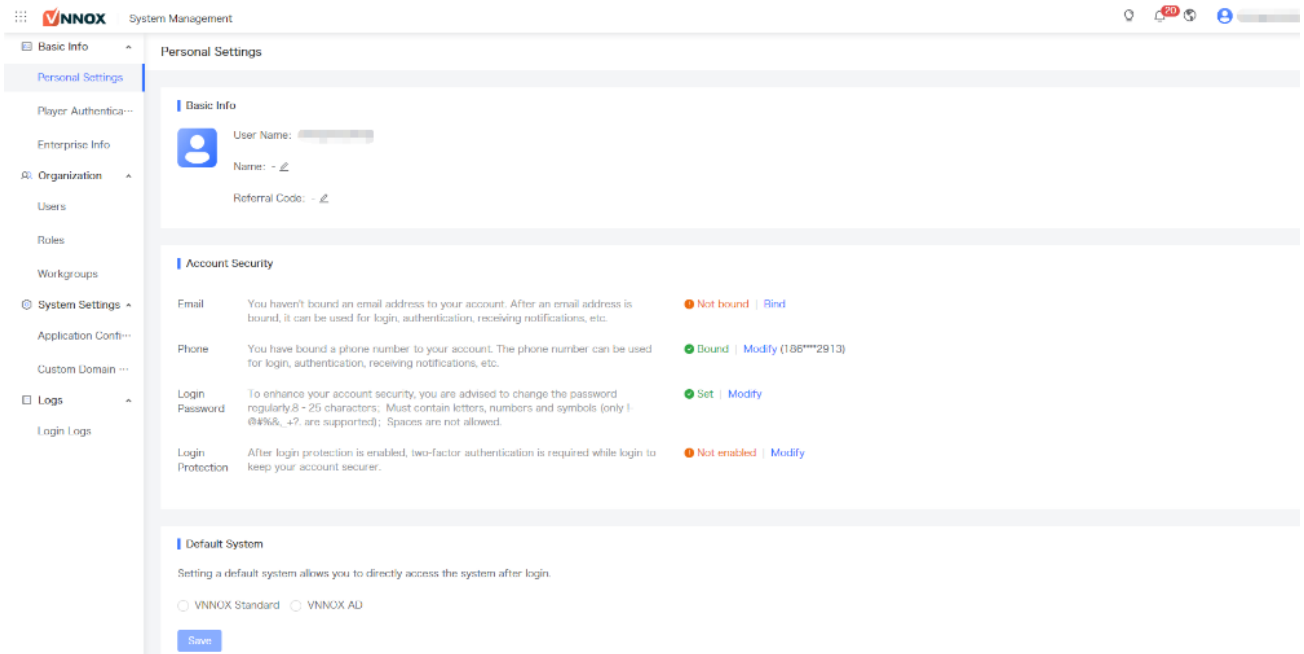

Step 4   Click **Submit**.

After successful registration, you will have all the permissions of VNNOX and can manage all the resources.

Login

Step 1   Visit www.en.vnnox.com and click **Log In** at the top right of the page.

Step 2   Select a server node and click **OK**.

Step 3   Enter your account name and password.

Step 4   Click **Log In** to access the homepage of the cloud platform.

If email verification or SMS verification is enabled, email verification or SMS verification will be required when you log in to VNNOX. If you have not bound to an email or phone, you will be required to bind to an email or phone when you log in to VNNOX.
