The screenshot shows the VINOX cloud deployment console interface. At the top, there is a navigation bar with tabs: 部署管理 (Deployment Management), 节点管理 (Node Management), 流程库 (Workflow Library), 增强控制台 (Enhanced Control Console), and 日志管理 (Log Management). On the right side of the header, there are user icons for login and language selection.

The main area displays a table of tasks:

序号	名称	资源ID	状态	节点	工作组	对象信息	操作时间	备注	操作
1	lautus-40002493 部署任务	04192	已执行 2021-01-18 11:45:29	11		Open V2.3.0.0031 端口: 192.168.0.100:140901	2021-01-18 10:53:47	Degist-Type: Win Player Message-Type: 2021-01-18	完成

At the bottom left, there is a message: '共有 1 项任务，第 1 / 1 页' (1 task in total, page 1 of 1).

Below the table, there are two large blue buttons with white icons: one for '部署' (Deploy) and another for '回滚' (Rollback). A red circle with the number '1' is overlaid on the Deploy button.
